Soap & Body Care CATALOG

Almond Goat's Milk Soap— Protein-rich and conditioning, goats milk, almond butter and almond oils combine with essential oils to nourish both the skin and spirit. This soap is great for dry winter air.

Baby's Breath— Extra gentleness for tender, young skin. This sweet soap is pure enough for a newborn and lovely enough for moments when even big kids need some TLC.

Biker's Bar Soap— For your favorite mechanic...a touch of pumice and sweet orange for when he's been in the garage all day.

Bye Bye Bites Soap— Let these essential oils discourage summer insects naturally.

Calendula Rain Soap— Healing and fragrant with a natural "rain" scent, this soap has skin-softening calendula petals blended right into the bar.

Cinnamon Clove Soap— Cinnamon and clove essential oils uplift your spirits and revive you when you're tired. A favorite for both men and women

Cinnamon Orange Soap— This beautiful soap combines stimulating cinnamon with cooling orange. It is also beautiful in the bathroom.

Cranberry Spice Soap— Beautiful, warm and tart, cranberry fragrance brings an unforgettable perk to the bath.

Forest Fresh Tea Tree Oil Soap— Tea tree oil from Australia is a broad-spectrum antibiotic and anti-fungal that promotes immune response. It is combined with invigorating lemon eucalyptus. This is one of our favorites.

Garden Path Soap— Our gardener's soap, chock full of herbs, a touch of pumice and lovely rosemary. This is a great soap to keep at the "clean-up sink" or to use after having your hands in some friendly earth.

Hemp, Hemp HOORAY! Soap— (Or, "Passionate About Patchouli"); Hemp oil is a great skin conditioner, and patchouli essential oil takes you right back to the 60s. So good!

Island Kiss Soap— A mixture of tropical floral scents that will kiss your skin and delight your senses.

Jabon Fresco (fresh soap) Soap— Hearty chunks of mild olive oil Castile soap.

Kitchen Soap— Put this one near your kitchen sink. It absorbs cooking odors...onions, fish, garlic, etc....and leaves your hands soft and sweet.

Lavender Lace Soap— For lavender aficionados, this soap contains pure French lavender and a swirl of color. It is topped off with a pretty flower petal stamp.

Lavender Mint Soap— Another of our favorites, delicate lavender and fresh mint essential oils team up for a lasting scent and invigorating bath.

Lemongrass Lavender Soap— Lemongrass and lavender are the freshest way to start (or end) your day.

Luscious White Soap— Olive oil soap, and fragrance free for super-sensitive individuals.

Oatmeal Honey Soap— Oatmeal is mixed throughout the soap and scattered on the top. Combined with healing honey, this soap provides gentle, skin-softening exfoliation.

Ocean Rain Soap— Scents of tropical trade winds and blue-green ocean color swirls make this one of our most popular for both men and women.

Orange Coconut Soap— More tropical delight, this soap combines coconut fragrance and delicate sweet orange essential oil.

Pet Herbal Soap— Use natural herbs rather than chemicals for your pet shampoo needs. This soap includes tea tree oil, cedar and citronella.

Plumeria Ginger Soap— Still more tropics...the gorgeous aroma of plumeria flowers combines with spicy ginger...it is as though you were in the islands under a plumeria tree, complete with trade winds.

Rose Moss Soap— Beautiful, old-fashioned, deep red rose scent combines with earthy oak moss. Rose is rejuvenating and is said to relieve depression and act as an aphrodisiac.

Rose Patchouli Hemp Soap— This is our patchouli hemp soap, but a touch of rose softens the fragrance.

Rosemary Lavender— Rosemary is a special herb for skin care. This soap combines rosemary with French lavender and gives you a remarkable bar of soap.

Sacred Sweetgrass— This is a rare and extraordinary soap. Fragranced with sweetgrass essential oil, it carries a delicately sweet, herbal fragrance. Sold only in combination with sweetgrass lotion.

Sandalwood Sage Soap— For him or her, sandalwood and sage bring the outdoors to you or your sweetie.

Seaweed Sauna Soap— Organic seaweed offers minerals; citrus and patchouli essential oils add fragrance.

Tuberose Spice Soap— Another of our island favorites, the deep floral fragrance of tuberose combines with a spicy undertone.

Youthful You— A very special soap containing oils chosen to deeply penetrate and enrich skin that has become drier with passing time or from sun damage. A warm, clean fragrance.

Body Care: We prepare body products that are good enough to complement our fine soaps.

- Shea Butter Face and Body Creme
- Hemp Body Lotion
- Hemp Lip Balm (Orange Creamsicle, Strawberry, Mango)
- Cuticle Cream
- Foot Massage and Healing Cream
- All-natural Massage Oil
- Aromatherapy — Essential Oils

Our handmade soaps are safe, pure, gentle cleansers. They are also appreciated gifts for loved ones. Each bar is hand-cut, a generous three- to five-ounce bar of richly fragrant soap.
